Instructions

Why fill in this form?

Business number (BN) program account information is confidential. The Canada Revenue Agency (CRA) needs your consent to deal with an individual (for example, an accountant, a lawyer, or an employee), a group, or a firm as your representative for information related to your business accounts. Confidential information includes, but is not limited to, issues related to returns, the status of accounts, account balances, transactions, and correspondence.

Use this form either to consent to the release of, or changes to, confidential information about your business accounts, based on the authorization level you choose, to the named representative, or to cancel consent for an existing representative. For more information on the two levels of authorization, see the instructions for Part 3. You can also give this consent at cra.gc.ca/mybusinessaccount. Representatives can manage their own authorizations at cra.gc.ca/representatives.

Do not use this form if all of the following apply:

- you are a selected listed financial institution (SLFI) for GST/HST purposes, or QST purposes, or both; **and**
- you have an RT program account that includes QST information.

Instead, use Form RC7259, *Business Consent for Selected Listed Financial Institutions*. For more information, including the definition of an SLFI for GST/HST and QST purposes, go to cra.gc.ca/slfi.

Do not use this form to authorize a third party to act on your behalf with respect to a tax ruling or interpretation request. For more information, see Income tax information circular IC70-6R6, *Advance Income Tax Rulings and Technical Interpretations* or GST/HST Memorandum 1.4, *Excise and GST/HST Rulings and Interpretation Services*.

Note

It is your responsibility to monitor and understand the transactions your representative is conducting on your behalf and to make sure that the information about your representative is current. By accessing the "My Business Account" service, you can view your representative's transactions on your account. The CRA often adds new services that your representative can access. It is your responsibility to review the services and decide if your representative should still be authorized to represent you. For a list of online services available, go to cra.gc.ca/representatives.

If you feel your representative is not acting in your best interests, you should immediately remove their access to your information. You can cancel the authorization at cra.gc.ca/mybusinessaccount.

Can you use this form for your trust or individual tax and benefit accounts?

No, you cannot. This form is for authorizing access to business number program accounts. To authorize a representative on your individual tax and benefit accounts, or trust accounts, use Form T1013, *Authorizing or Cancelling a Representative* or use the "Authorize my representative" service at cra.gc.ca/myaccount. Online access is not available for trust accounts.

Part 1 – Business information

Enter your business name and business number (BN) as registered with the CRA.

Part 2 – Authorize a representative

(a) Authorize access by telephone and mail

Fill in this part if you want the CRA to deal with your representative by telephone or mail. Enter the name of the individual, the name of the firm **and** the firm's BN, **or** an individual in a firm. If you enter only the name of a firm, then all employees of that firm will be authorized to deal with the CRA on your behalf. If you enter the name of an individual **and** a firm (and its BN), then **only** that individual of the firm will be authorized. If you are authorizing a representative (individual or firm) who is not registered with "Represent a Client," enter the telephone number of the representative or firm.

(b) Authorize online access

You can authorize your representative to deal with the CRA at cra.gc.ca/mybusinessaccount or by completing this form.

You **must** enter all the information for **only one** of the following options:

- the ReplID, the name of the individual, **and** their telephone number;
- the GroupID, the name of the group, **and** their telephone number; or
- the BN, the name of the firm, **and** their telephone number.

ReplID: The ReplID is a seven-character alphanumeric code that identifies your representative. Your representative can register for a ReplID at cra.gc.ca/representatives.

GroupID: A six-character alphanumeric code starting with the letter G that identifies a group of representatives. The group of representatives can register at cra.gc.ca/representatives, and give their ReplIDs to the group administrator. When the administrator creates a group, the GroupID is assigned.

BN: Enter the BN of the firm you want to authorize. To get online access, the firm has to be registered as a representative through "Represent a Client," at cra.gc.ca/representatives.

Our online service does **not** have a specific fiscal year option, so your representative will have access to **all** fiscal years. When you authorize online access to your representative, they can **also** access information **by telephone and mail**. Your consent will stay in effect until you cancel it or until it reaches the expiry date you choose.

Part 3 – Select the program accounts, fiscal years, and authorization level

A program account number has three parts:

1. a nine-digit **business number** (BN) to identify the business;
2. a two letter **program identifier** to identify the program type; and
3. a four-digit **reference number** to identify each account a business has within a program type.

You can authorize access to **all** your program accounts or to **specific** program accounts. Choose **one** of the following three options:

- (a) **Level 1 authorization** applied to **all** of your program accounts **and all** fiscal years. Level 1 authorization allows the CRA to **only disclose** information on your program accounts. You may also automatically expire authorization by entering an expiry date.
- (b) **Level 2 authorization** applied to **all** of your program accounts **and all** fiscal years. Level 2 authorization allows the CRA to disclose information **and accept changes** to your program accounts. You may also automatically expire authorization by entering an expiry date.
- (c) **Specific program accounts** authorizes access for **one or more** program accounts, **but not all** program accounts. If you choose this option, you **must** read the instructions below **and** fill in the section called "Details of program accounts and fiscal years" on page 4.

Details of program accounts and fiscal years

Program identifier

Enter a two letter program identifier from the list of supported program accounts.

All program accounts or specific program accounts

You can allow access to all program accounts by ticking the "All reference numbers" box for that program **or** you can limit the access to a specific program account by entering a specific reference number.

Authorization level

Select the level of authorization you want to give to your representative. Tick Level 1 **or** Level 2.

- **Level 1** allows the CRA to **only disclose** information.
- **Level 2** allows the CRA to disclose information **and accept changes** to your program accounts.

If you do not make an entry, then we will assume that you have chosen Level 1. This level gives permission to the CRA to **only disclose** information on your program accounts. For more information on the levels of authorization, go to cra.gc.ca/representatives and select "List of services for representatives of businesses."

All fiscal years or specific fiscal year

Tick the box if you want to authorize access for all fiscal years, **or** enter a specific fiscal year-end date to choose a specific fiscal year.

Note

If you choose option (b) for online access in Part 2, your representative will have access to **all** fiscal years regardless of your choices in Part 3 (c) because our online service does **not** have a specific fiscal year option.

Specific fiscal year

If you are not authorizing access to all fiscal years, then enter a specific fiscal year-end date. This option is **not available** for online access.

Expiry date

Enter an expiry date if you want the consent to automatically expire. Your consent will stay in effect until you cancel it **or until it reaches the expiry date you choose**.

Part 4 – Cancel one or more authorizations

You can cancel an existing consent by calling us at **1-800-959-5525** or by using the "Authorize or manage representatives" service at cra.gc.ca/mybusinessaccount. You **must sign and date** this form. The CRA **must** receive this form **within six months** of the date it was signed or it will not be processed.

This form **must only** be signed by an individual with **proper authority** for the business, for example, an owner, a partner of a partnership, a corporate director, a corporate officer, an officer of a non-profit organization, a trustee of an estate, or an individual with delegated authority. An **authorized representative cannot** sign this form **unless** they have **delegated authority**.

Forms that cannot be processed, for any reason, will be returned to the business. By **signing and dating** this form, you authorize the CRA to deal with the individual, group, or firm listed in Part 2 of this form in a manner based on the level of authorization provided in Part 3 **or** cancel an authorization listed in Part 4. We may contact you to confirm the information you have provided.

If there has been a change in the list of owners, partners of partnerships, corporate directors, corporate officers, officers of a non-profit organization, trustees of an estate, or individuals with delegated authority, official documentation of the change must be sent to your tax centre **before** you fill in this form.
